Incident Details

Suspect contacted us to rent a 2 camera package for a 1-day job. He filled out our paperwork and supplied a COI along with a credit card which we charged for the rental prior to the suspects leaving with the gear. The card cleared without any issues. We also made a copy of the driver’s license of the runner picking up the gear, Jackson Burns (Xaviers’s dad supposedly). We also have footage of the gear being loaded into their black Land Rover with Oklahoma tag #RWS-351 on video surveillance. We checked out the suspects website ShotbyXB.com prior to the rental along with his Instagram page iamxavierburns
