Incident Details

Customer placed a rental order for the Fujifilm X100VI via our online system. He filled out the appropriate paperwork and provided an Oregon ID to scan. He rented the equipment on 09/11/2025 and was scheduled to return 09/12/2025. When he did not return the gear, we emailed and called him daily with no response. After doing some research on his website, we determined all of the media to be fake. The Portland Police also determined that he used a fake ID.
