Incident Details

Customer from out of town (Terran Watson, on behalf of Studio 88 Inc., in Chicago Area), wanted an A/B camera setup for a local wedding-related shoot. Driver's license, rental agreement, and cc auth documents provided/completed, in addition to COI being issued. All rental proceedings seemed normal, until morning of rental return, when customer stopped communicating, and phone number was disconnected. Client's insurance policy looks to have been legitimate, but was canceled one day before gear return was to take place.
