Incident Details

Email received on April 2 regarding Customer had a confirmed rental but last minute fall through. Customer was looking to pick up on April 4th for filming the Radio City Music Hall Project called " JO KOY" on saturday and return day was April 6. COI email received directly from broker called " RV NUccio @ Associates - Joseph Guerrero. It was a yearly certificate. We called and confirmed the cert was valid - unfortunately that was a scam - the person on other side was one of them. Client pid the rental via credit card and it went thru. We dont know if the transaction will be cancelled later. The PA named Jerson Sosa picked up the equipment and left with Uber. Later one Monday April 6 we received a call from Jerson - Pa hired by Anthony Page saying that he can not reach the Anthony for return and he says he will cooperate if the equipment does not Show up. Since April 6, we tried to reach the Anthony and his insurance broker but we dont have any luck. Documents provided: Pensylvania DL COI Credit card Company details Pick Up person New York DL
